The non-profit benefiting from this year's event is the Northwest Youth Music Association. This organization has been providing musical opportunities and training to youth of the Northwest for over 50 years. The Northwest Youth Music Association is one of the proud sponsors of the Cascades Drum and Bugle Corps, the only Northwest nationally touring World Class Drum Corps. Drum and Bugle Corps is a unique activity. It combines music, theatre, dance, sport, pageantry and competition in an 11 minute production that amazes thousands of fans. The proceeds from this event will help fund young adults compete nationally over the summer against other World Class Corps. As a winery, we cherish the pairing on wine and the arts. By supporting these young artists, we help to insure this special relationship continues to exist in the future.

We are expecting 144 golfers during the tournament as well as 200 people attending the dinner following the event.
